Nose to tail cooking ensures that we are utilizing the entire animal so that nothing gets wasted. You can help! Consider getting some bones to make bone broth or soup stock. Render down some fat to use for baking & frying. Make some suet with seeds for the birds. Toss a hock into soup for extra smoky flavor. Grab a treat for your pup!										

All orders will be priced on the actual final weight of the cuts. We cannot guarantee an exact poundage of individual cuts in advance as every cut of meat is unique and of a different weight. **** limited supply!**

May we substitute a similar cut if we are out of what you ordered?
